150TH ANNIVERSARY CELEBRATION

St. Joseph is planning a huge celebration!

Our new Community Center will be completed sometime in June 2009. Archbishop Chaput is having back surgery and will not be available for our first date that was planned for this celebration.

So Archbishop Chaput is now scheduled to celebrate Mass on August 8th at the 5:15 pm Mass in the Church.

The Archbishop will bless our new building and dedicate the new Day Prayer Chapel.

Everyone will be able to tour the building after every Mass that weekend.

We will have wine, cheese, crackers, cookies and punch after the 5:15 pm Mass

and cake and punch after all the Sunday Masses-served in our new building!

Also, Lorraine Wagenbach's book, *The Red Brick Church*, is available for sale. The book tells of how our parish was established in 1859 by Bishop Machébeuf. Our parish is 150 years old!

Please plan on joining us!

It'll be a weekend of great celebrating and thanking all those who have made this chance to celebrate possible!
